Student Engagement in Student Success

Early Engagement in Courses
Major Exploration
Beyond the Classroom (co-curricular)
Early Engagement

In the First Four Weeks

- Attend and participate in class
- **Study** (2-3 hours per credit in class)
- Obtain all course materials
- Meet the professor - office hours or after class
- Be an Active Learner and build on successes/ learn from challenges
Engaged Study Habits

Effective Notetaking

Effective Reading
  Survey, question, read, and review

Effective Reviewing
  Practice testing
  Distribute learning over time (i.e. no cramming!)

Student Engagement in Courses
Beyond the Classroom

- Internships
- Research
- Education Abroad
- Learning Communities
- Service Learning
- Student Organizations
Supporting Your Student's Success

Dialogue
Encourage Engagement and Major Exploration
Coach Your Student Through Challenges
Be Involved
Student Success is a Partnership
Thank you & GO RAMS!
